Scuttlebrook Wake

2024 Sponsorship

https://www.scuttlebrookwake.org

Scuttlebrook Wake is Chipping Campden's family community event of the year!

On the 1st June, the high street will close to traffic and circa 2000 people will gather from Campden and surrounding areas to enjoy: country dancing, parades, morris dancing, a traditional fair, market, running races and the "ScuttleFest" mini music festival.

Since the 12th Century the wake has been a celebration of summer and a chance for the community of Campden and its visitors to come together and have a good time!

Scuttlebrook is seeking sponsors to help keep the tradition alive for future generations. Supporting Scuttlebrook will give sponsors the opportunity to be associated with an event held in deep regard in the community across generations, and to demonstrate social credentials to customers far and wide.

- Scuttlebrook regularly submits articles and letters to the Campden Bulletin, a professional and well-read colour newsletter, distributed monthly in Chipping Campden and surrounding areas. Sponsors will get the opportunity to have their name and logo displayed in full page articles.
- The "Scuttlefest" music stage will display a prominent banner with sponsors' names and logos.
- Sponsors' names and logos will appear in the Dover's Games and Scuttlebrook 2024 event programme.
- An event partner will also have the opportunity to use the Scuttlebrook name and logo on their website and corporate literature for a year.
